Date of Notification

26 July 2002

The Company announces the purchase of 212,340 ordinary shares of 50p each in the Company at a price of 650p per share on 11 July 2002 by Bedell and Cristin Trust Company Limited as Trustee of the Scottish and Southern Energy Deferred Bonus Plan ("the Trust").

Performance-related awards under the Company's Deferred Bonus Plan were granted on 11 July 2002 to senior staff including Executive Directors and will (subject to the rules of the Plan) be satisfied after 3 years using shares held by the Trust.

The share awards to the Executive Directors were as follows:

Jim Forbes – 47,196
Ian Marchant – 24,162
David Sigsworth – 17,719
Colin Hood – 16,108
Alistair Phillips-Davies – 9,866

Rewards obtained by participants in the Plan are dependant on performance by individuals and by the Company, which is measured in financial terms and by other criteria including the Company's performance relative to a group of comparator companies in key variables.

Each Executive Director will only receive from the Trust that number of shares to which they are entitled under their award. For Companies Act purposes, however, the Executive Directors are technically regarded as having an interest in all those shares held by the Trust.

SCOTTISH AND SOUTHERN ENERGY PLC

APPOINTMENT OF CHIEF EXECUTIVE, CHIEF OPERATING OFFICER AND FINANCE DIRECTOR

The Board of Scottish and Southern Energy plc ('the Group') has appointed Ian Marchant, currently Finance Director, to succeed Jim Forbes as Chief Executive. Colin Hood, the Power Systems Director, has been appointed to the new post of Chief Operating Officer. Gregor Alexander, the Group's Treasurer and Tax Manager, will become Finance Director and will join the Board on taking up his appointment.

All of these new appointments will be effective from 1 October 2002. Jim Forbes will retire both as Chief Executive and as a Director on that date.

Ian Marchant joined Southern Electric in 1992 as Head of Corporate Financial Planning. He was appointed to the Board as Finance Director in 1996. He became Finance Director of Scottish and Southern Energy on its creation in 1998. Before joining Southern Electric, he worked for two years in the Department of Energy on electricity privatisation.

Colin Hood joined Southern Electric in 1990, having previously worked for Scottish Hydro-Electric. He joined the Board as Power Systems Director at the start of 2001. In his new expanded role, he will become responsible for key Group operations, including customer service, IT, retail and human resources, as well as the electricity networks, SSE Contracting and SSE Telecom.

Gregor Alexander joined Scottish Hydro-Electric in 1991 and has held a variety of senior positions in the Finance team. He was appointed Group Treasurer and Tax Manager when the Group was formed in 1998 and has played a central role in the development of the Group's financial strength.

Dr Bruce Farmer, Chairman, said:

"The management and staff of the Group have had outstanding leadership from Jim Forbes. He fully deserves his reputation as one of the best Chief Executives in the FTSE-100. Among his many achievements, he has developed a management team capable of meeting the many challenges ahead.

Ian Marchant has played a very important part, with Jim Forbes and the rest of the management team, in creating the strong company that Scottish and Southern Energy is today. He is widely recognised as the person to lead the Group in the future.

As Power Systems Director, Colin Hood has had the key role in making Scottish and Southern Energy the most efficient electricity network operator in the UK. In the much larger role of Chief Operating Officer, he will be able to deploy his undoubted management skills across many of the Group's key operations.

Gregor Alexander's important contribution to the financial management of the Group, and his excellent track record as Group Treasurer and Tax Manager, makes him ideally placed to

become Finance Director.

Scottish and Southern Energy is a financially strong and operationally efficient Group and with this management team we are very well placed to extend our track record of growth.”
